

Africa Introduction

- In pairs, watch these short clips [Desert](#), [Savannah](#) and [Rainforest](#). For each:

- Write a sentence that describes the climate
- Write a sentence that describes the landscape
- Swap sentences with your partner

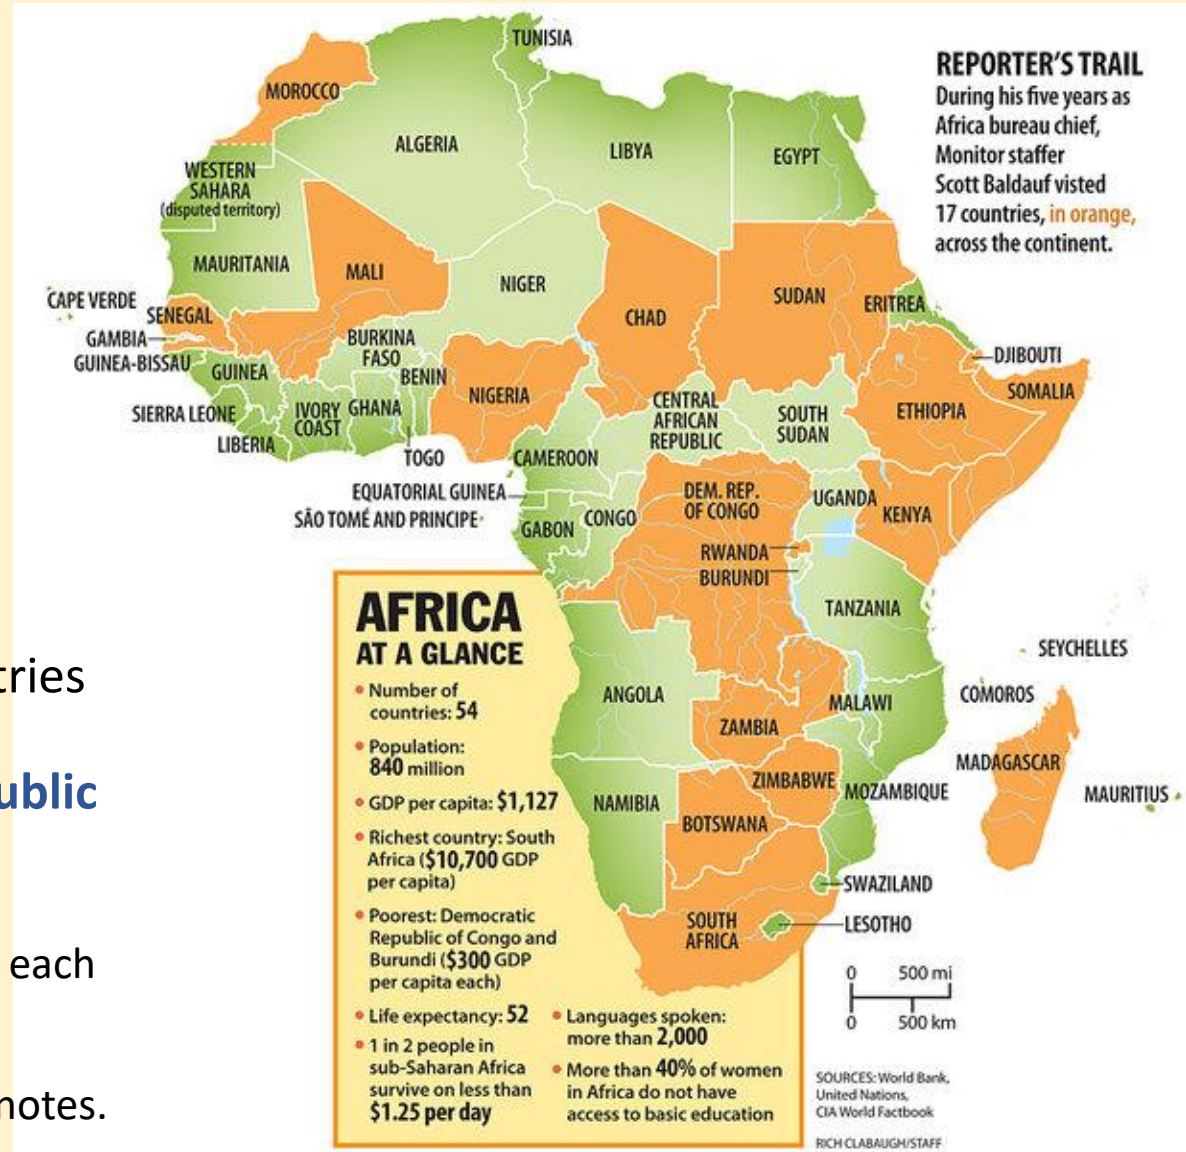

Write two or more sentences on each climate zone.

- Use your atlas page 36 to shade and label the areas of rainforest, desert and savanna on the physical map of Africa
- Use your atlas page 55 to shade in the case study countries for this unit:

Egypt, Central African Republic, Cameroon, Gabon, Republic of Congo, Namibia, Botswana and Rwanda

- **Extension:**

- Using both your maps can you work out which climate zone each country or region is in?
- Add the capital city to each country you've coloured in
- Add your five facts from the lesson starter to your jotter as notes.
- Colour in the remaining climate zones
